Additional W/T Instructor for KIBITZ

REF: MSGA-6501, MSGW-1433B, para. 5.

1cy filed KIBITZ

1. In view of the tardiness of this response, we wonder if you still need or desire an additional W/T instructor for the KIBITZ operation. In the event that you do still want another instructor, we quote the text of a communication received from DECIATCH in reply to a query of ours on the subject of assignment of such personnel:

Additional W/T instructors are assigned to Germany by this Office on a continuing basis to fill the approved T/O. Those available in Germany receive their assignments to the various projects from Chief, EUCA. It is suggested that the Chief, EUCA, be contacted again by your field personnel in order to work out a solution to your training problem.

2. If you have not already done so, we suggest that you contact Chief, EUCA. If satisfactory arrangements cannot be made through him, please let us know and we will again make what representations we can here.
